

DUCTLESS SPLIT SYSTEMS

Trane ductless systems offer comfort wherever you need it, whether it's one room, your entire home, or something in-between. Mounted on the wall or in the ceiling, these systems provide flexible, energy efficient options that come with Trane's legendary reliability.

EFFICIENT COMFORT, WHERE AND WHEN YOU NEED IT.

Trane ductless systems allow you to create a comfortable indoor environment in spaces where adding ductwork might be impractical, inefficient, or too expensive. Single-zone systems control temperatures in one room, while each multi-zone system handles up to 5.

- ✓ Retrofit a house that doesn't have a ducted system or where the central system is at capacity.
- ✓ Bring efficient, economical comfort to new room additions, garages, sun porches, attics, or granny pods.
- ✓ Provide heating and cooling to an area or zone needing comfort while operating independently of an existing central air system.
- ✓ Customize multi-zone systems to supply flexible zoning solutions.
- ✓ Utilize ductless efficiency for new construction projects where ductless systems make more sense than a traditional ducted system.

SEET® TESTED

Every Trane system is put through some of the most extreme conditions found in nature in our SEET [Systems Extreme Environmental Test] lab. Put through five years of severe wear and tear in just a few months, our products can stand up to the harshest environments imaginable.

**AMERICA'S MOST TRUSTED® HVAC BRAND
8 CONSECUTIVE YEARS¹**

**MOST RELIABLE HEATING AND COOLING
EQUIPMENT BRAND²**

¹Trane received the highest numerical score in the proprietary Lifestory Research America's Most Trusted® HVAC Brand study for years 2015, 2016, 2017, 2018, 2019, 2020, 2021 & 2022. Study results are based on experiences and perceptions of people surveyed. Your experiences may vary. Visit www.lifestoryresearch.com.

ABOUT
TRANE'S
RELIABILITY.**

WHAT IS SEER?

Seasonal Energy Efficiency Ratio (SEER) is an air conditioner's maximum efficiency rating, similar to the miles per gallon for your car.

WHAT IS HSPF?

Heating Seasonal Performance Factor (HSPF) measures heat pump efficiency during the average heating season. The higher the number, the more efficient the unit.

OUTDOOR

	4TXM65	4TXM22	4TXM23	4TYK16	4TXK16	4TXK23	4TXK38
Cooling Efficiency	up to 16 SEER	up to 22 SEER	up to 23 SEER	16-38 SEER			
Heating Efficiency	up to 8.2 HSPF	up to 10.5 HSPF	up to 11 HSPF	up to 15 HSPF			
Matched with Indoor Unit	4MXW23, 4MXF8, 4MXX8, 4MXD8, 4MXC8	4MXW23, 4MXF8, 4MXX8, 4MXD8, 4MXC8	4MXW23, 4MXF8, 4MXX8, 4MXD8, 4MXC8	4MYW16	4MXW16	4MXW23	4MXW38
Variable-Speed Inverter Technology	Minimizes fluctuations in room temperature by allowing the compressor to continuously adjust to meet your comfort setting.						
Energy Efficient	Up to 35% more efficient than a conventional single-speed compressor.						
Intelligent Defrost	Automatically improves the system's heating efficiency and helps you save energy.						
Anti-Corrosion Coil	Special Blue Fin Anti-Corrosion treatment increases durability and maintains efficiency. (Standard on all heat pump models.)						
Brushless Compressor	Twin rotary DC brushless compressor provides better balance, lower power consumption and higher efficiency.						
Compressor Protection	Stops or delays operation of compressor if conflicts arise.						
Robust Grille	Strong hot dip galvanized steel prevents damage and permits unobstructed airflow.						
Ultra Low Outdoor Ambient Heating Capability	4TXK38: System is capable of providing up to 100% of the rated heating capacity @ -15C (5F). Heating to -30C (-22F). 4TXM23: 18k and 24k - System is capable of providing up to 100% of the rated heating capacity @ -30C (-22F). Heating to -35C (-31F). 30k and 36k - System is capable of providing up to 100% of the rated heating capacity @ -20C (-4F). Heating to -35C (-31F).						

INDOOR

	4MXW38	4MXW23	4MXW16	4MYW16
Cooling Efficiency	up to 38 SEER	up to 23 SEER	16 SEER	16 SEER
Heating Efficiency	up to 15 HSPF	up to 11 HSPF	up to 9 HSPF	N/A
Matched with Outdoor Unit	4TXK38	4TXK23, 4TXM22, 4TXM65, 4TXM23	4TXK16 (heat pump only)	4TYK16 (cooling only)
Quiet Operation	Specially designed air vent allows quiet, efficient operation as low as 19 dB.			
Turbo Function	Provides temporary high-speed operation to reach your desired temperature quickly.			
Sleep Mode Function	Automatically raises or lowers the temperature to maintain comfort and save on energy while you sleep.			
Dry Mode	Reduces moisture.			
Active Filtration	Aids in odor prevention and allergen reduction.			
Anti-Cold Feature	Pre-heats coil during heating operation to prevent blowing cold air directly to the room.			
Timer	Allows you to set the time for the unit to operate automatically when you want.			

	4MXD	4UXD	4MXC	4UXC	4MXX	4UXX	4MXF
Matched with Outdoor Unit	4TXM22, 4TXM6	4TXU Pro	4TXM22, 4TXM6	4TXU Pro	4TXM22, 4TXM6	4TXU Pro	4TXM22, 4TXM6
Compact Design	Takes up less space inside your home.				Specially designed air vent operates as quietly as 25 dB.		
Quiet Operation	Specially designed air vent operates as quietly as 19 dB.				Specially designed air vent operates as quietly as 25 dB.		
Washable Filter	Reduces moisture on filter and provides fresh, healthy air when cleaned regularly with water.				N/A		
Built-in Drain Pump	Effectively drains condensation.				N/A		
Anti-Cold Feature					Pre-heats air during heating operation to prevent blowing cold air directly into the room.		

Trane Mini/Multi Split Ductless System Registered Limited Warranty terms* include: 10 Years on compressor and functional parts. Compressors, indoor coils and outdoor coils are covered with unit replacement. For all coverage options, check with your independent Trane dealer.

*Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at Trane.com or by phone at 855-260-2975, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on Trane.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply.

TRANE DEALERS ARE AS HARD TO STOP AS A TRANE ITSELF.

Independent Trane dealers take great pride in creating your perfect indoor environment. They are some of the most highly trained professionals in the business—with an extensive understanding of the movement and conditioning of air and the expertise to recommend, install and maintain the right system for your home.

CONTROL YOUR COMFORT WITH EASE.

Trane offers control options that suit your needs and lifestyle.

WIRELESS REMOTE CONTROL

This versatile, handheld remote control is compatible with Trane mini-split and multi-split ductless systems. Sold separately. Contact your dealer for more information.

PROGRAMMABLE CONTROLLER

Save your temperature settings with seven-day programmable capabilities, all on an easy to read, wall-mounted display. Sold separately. Contact your dealer for more information.

WIRED CONTROLLER

This wall-mounted controller is included with floor, ceiling, cassette, concealed and Pro-Series units. Sold separately for some mini-split and multi-split systems. Contact your dealer for more information.
